DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: 11-14 and 16-24.

Claims 11-14 and 16-24 are found allowable for reasons set forth in the Board Decision rendered on 1/31/07. Specifically, the Board of Patent Appeals and Interferences did not sustain the rejections set forth in section 9 the Examiner's Answer dated 4/ 28/06. As such, claims 11-14 and 16-24 are found allowable. An updated art search did not produce any new substantial art for which to base and rejection and presently no motivation exists to combine references to form an obviousness type rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
